POLICIES REGARDING LOANS.

- 1. All holotypes based on material loaned from this department should be deposited in the U.S. National Museum.
- 2. Retention of material is permitted only on arrangement with our Curators.
- 3. Exchanges of specimens are encouraged.
- 4. A determination label should be put on each specimen, if possible.
- 5. This department would appreciate receiving copies of any publication resulting from study of this material.

6. Other conditions for loan:
